PLEASE REMEMBER

- ✓ This timetable can be reorganised - live lessons on TEAMS are recorded and can be accessed at another time.
- ✓ You are strongly encouraged to engage in at least **3 hours of work** each day in KS1 and 4 hours of work for KS2.
- ✓ Your work time will **not** just be screen time, it will also include individual study, completion of the work pack resources, reading and physical exercise.
- ✓ The class teacher will no longer phone you regularly as she/he will see you every day on TEAMS or in school. Please call school to speak with Mrs Coyle or Mrs Sanders if you need any support.
- ✓ Every 2 weeks please return your **EMPTY** work folder and your school reading books. You will collect another pack for 2 weeks and new Reading Books.
- ✓ If you need any help to access TEAMS please call school.

KEEP ACTIVE

Try to engage in 30-60 minutes of physical exercise every day.
Set yourself a daily challenge? Walk the dog? Complete a daily mile? Complete online routines (Keep Fit/Yoga)?
