Holiday Club: Easter & Beyond!

Dear Parents & Carers

We are so excited to announce that we have secured an external provider who will be able offer a holiday club for all our pupils and the wider community for the Easter, May half-term and four weeks of the summer holidays!

Grassroots Sports Academy provide young people with the tools to improve their skills and confidence through sports that can transfer to valuable life skills. The children will have the opportunity to experience a number of sports and activities such as football, zorbing, glow in the dark dodgeball, team building exercises and more. Children will also take part in craft activities and will have access to our woodland area where they can experience den building.

Our Easter holiday club will have some additional extras such as Easter egg hunts (including a visit from the Easter bunny), a bouncy castle and Nerf wars!

A flyer with more information will be sent out after half term. The club will run from 9am to 4pm and is open to children aged 5-11, including reception children who are 5 years old. The cost per day is £18.00 and will be payable via MCAS after the half term holiday.

More information and a video about Grassroots can be found from the following link

We know that there are a number of local providers during the school holidays, however, we would like to encourage as many children as possible to try out our new provision as we are confident that Grassroots can provide a really enjoyable and memorable experience for our children.
