

Behaviour

Children who show excellent learning behaviours in lessons and follow our behaviour expectations are awarded team points. To be awarded a point, the children have to be in the right place, at the right time and doing the right thing. Class team points are then added together for our overall weekly team winner.

These are the points that have been awarded in each team this week:

Red	Blue	Yellow	Green
674	832	856	904

The house that has won the overall points for this week is: Green!

Whole School Attendance

This week: 95.4%

Our attendance target for the year is
97%

Year to date 94.9%

Class Attendance Winners this week:

1st place – Class 3/4C 97.24%

2nd place – Class 4D 97.14%

3rd place – Class 5S & 5/6M 96.67%

Up and Coming Key Dates

Date:	
27/05	School closes for half term
03/06	School re-opens for pupils
05/06	EYFS Trip to Eureka
12/06	MATlympics (details to follow)
17/06	LKS2 Science trip to Magna (details to follow)
19/06	School class photos

Academy Updates

- A huge, huge, well done to our year 6 children who took part in the Key Stage 2 SATs this week. They have worked so hard and we are really proud of their efforts!
- Another huge thank you to our PTFA for an amazing bake sale today! It was a complete sell out and was really enjoyed by our children and parents!

Reception (Miss Peden & Miss Brzostowska)

This week in Reception we have expanded our learning about farm animals by watching real life chicks hatch from their eggs. We have learnt about rhyme and have created our own characters for the story Chicken Licken. In maths we have revisited subitising to 5 and 10 and numberbonds to 5 and 10.

1M (Mrs Mayman)

This week in 1M, we have really enjoyed looking at different relationships we may have with people in our lives and appreciating people for who they are in our PHSE lessons.

1/2C (Miss Carter)

This week in 1/2C we have worked really hard in our Maths lessons this week working practically to solve problems involving money. We have become really confident in recognising and counting the different coins and notes.

2C (Mrs Carter)

2C thoroughly enjoyed learning about the different wildlife that can be found in Tanzania. We used this knowledge to sort a wide range of animals into animals which are indigenous to Tanzania and ones which can be found in the UK.

3R (Miss Radband)

3R have had a great week! We have worked hard to use formal language and factual information in our non-chronological reports about life in ancient Egypt and we have continued working hard in Maths as we learn more about fractions! In PE, we have continued improving our skills in throwing, leaping and hopping.

3/4C (Miss Corner)

What a great week we have had in 3/4C! The children have not just impressed me but lots of adults around school who have taught them this week! Their manners, passion for learning and strive to succeed are admirable. This week we have started writing our non-chronological reports and have impressed with our use of fronted adverbials.

4D (Mrs Bunting)

In writing, we have started writing our non-chronological reports on the ancient Egyptians, using our history, geography and DT knowledge to gather factual information. In maths, we are consolidating our understanding of equivalent fractions. In DT, we are working towards making our Egyptian shadufs! Have a great weekend 4D!

5S (Miss Sales)

5S have begun to write their narrative with direct speech, we have worked really hard! In Maths, we have been using protractors to measure and draw angles. The children have found this tricky but we have persevered.

In computing we finalised our PowerPoints and have begun to present them to the class! We didn't have swimming this week due to SATS but we had lots of fun exercising in the classroom using Just Dance (Check this out on Twitter!)

5/6M (Mrs Moodley)

5/6M have had an incredibly busy week. Year 5 children showed how respectful and supportive they are of their year 6 peers, while they were doing their KS2 tests by working independently on maths, writing and grammar activities. Year 6 children have done their very best and have shown resilience, perseverance and determination throughout this week. I am so proud of both year 5 and year 6 children. Well done and have a relaxing weekend.

6P (Mrs Parry)

My goodness, 6P have worked hard this week! Every single child in the class has tried their best in the Key Stage 2 SATs. It was a long week, but they have all showed real determination for every single test. I am so proud of each and every one of them. Well done, 6P!
