

Behaviour

Children who show excellent learning behaviours in lessons and follow our behaviour expectations are awarded team points. To be awarded a point, the children have to be in the right place, at the right time and doing the right thing. Class team points are then added together for our overall weekly team winner.

These are the points that have been awarded in each team this week:

Red	Blue	Yellow	Green
1279	1166	1010	1363

The house that has won the overall points for this week is: **Green!**

Whole School Attendance

This week: 93.4%

Our attendance target for the year is
97%

Year to date 94.7%

Class Attendance Winners this week:

1st place – Class 3/4C 98.54%

2nd place – Class 4D 98.53%

3rd place – Class 5S 97.06%

Up and Coming Key Dates

Date:

RB: Charlie M

RP: Murphy M

1M: Theo P

1/2C: George C

2C: Sebastian T

3R: Amber H

3/4C: Lucas C

4D: Jesse C

5S: Nathan L

5/6M: Tommy W

6P: Harry J

Well
done!

Academy Updates

We had great fun at the Water10 party day yesterday, celebrating 10 years of Waterton Academy Trust!

A polite reminder that our sports days start at 9:15am next week. Refreshments will be available for adults to purchase from the PTFA. Please ensure your child/children come to school with a water bottle to take out with them.

Reception (Miss Peden & Miss Brzostowska)

This week in Reception our focus text has been Lost and Found. The children have thought about different climates, ways of travelling to different countries and how to help people when they are feeling lonely. In maths we have revisited comparison and working out what is one more or one less than a given number.

1M (Mrs Mayman)

1M were excellent ambassadors for the Academy on Wednesday when they visited The Woodland Adventure Company. Their manners, keen listening skills and co-operative approach to tasks enabled them to create sturdy shelters, natural wands, magic potions and much more. Well done 1M, we are really proud of you!

1/2C (Miss Carter)

What a memorable week we have had in 1/2C this week! The children had a fantastic time at The Woodland Adventure Company on Monday exploring the natural surroundings and demonstrating excellent team work skills. We have also started writing a recount of our trip in our English lessons explaining all of the interesting activities we took part in.

2C (Mrs Carter)

2C had a wonderful time celebrating Waterton Trust's 10 year anniversary this week and taking part in our Trust fundraiser, The Sponsored Bounce. We have also been using our knowledge of Kenya from our Geography lessons to create a leaflet informing readers of the landscape, culture and climate of the country.

3R (Miss Radband)

It has been a brilliant week in 3R this week! We enjoyed practising for sports day in the sun on Monday and we have also spent some time practising different clay techniques as we prepare to make our canopic jars! On Thursday, the children had an absolutely fantastic time celebrating Waterton Trust's 10 year anniversary.

3/4C (Miss Corner)

We have had another superb week in 3/4C! We have continued to explore more techniques for modelling clay in Art and have now designed our canopic jars. We cannot wait to make them next week! In Maths we have continued to add and subtract fractions, we are becoming very confident in this now and are ready to move on to adding mixed number fractions.

4D (Mrs Bunting)

What an exciting week we have had in 4D! On Monday, we enjoyed practising for sports day. In art, we have spent some time practising different clay techniques as we prepare to make our canopic jars! On Thursday, the children had a fantastic time celebrating Waterton's 10 year anniversary. Have a great weekend!

5S (Miss Sales)

5S have had an exciting week! We really enjoyed the celebration for Waterton's 10 year anniversary. We have practiced creating a colour wheel for our upcoming abstract final piece. The children created a leaflet all about Henry V111.

In English, we are continuing to develop our inference and retrieval skills. We finished our comics and began to look towards creating a balanced argument exploring a question of

5/6M (Mrs Moodley)

This week we made a great start to our Theme Park project. The children really enjoyed having the responsibility of a budget and making decisions. In English, we continued to read Black Powder and made predictions about the ending. In Science, we were investigating which material will make a good insulator. Year 6 children have been working hard in rehearsals for our pantomime. The children had a wonderful time celebrating Waterton Trust's 10th anniversary and taking part in the sponsored bounce. Well done, 5/6M.

6P (Mrs Parry)

Year 6 have continued to enjoy working on their Theme Park projects this week: children have been calculating weekly running costs and using these to determine entrance fees and calculate profit margins. We have some shrewd business-people in 6P!

In writing, children have continued crafting their reports about South American animals, demonstrating some super writing skills. We have also been working hard in rehearsals for our pantomime. Well done, 6P!
